The CBC and Economic Development Directors Team will evaluate competitor markets to determine their strengths and weaknesses and capture qualitative information.

Together with GPEC staff, the CBC members will examine the region's high impact districts in anticipation of the projected population growth and discuss efforts to sustain these critical assets.

GPEC staff will provide an analysis and overview of active projects in the pipeline that are likely to announce their expansion plans in the Greater Phoenix region.

The CBC will assist in providing a comprehensive inventory of available sites throughout Greater Phoenix in order to market those spaces to potential locates.
