Alex.Baker@avisonyoung.com

Professional Profile

Alex is an Atlanta-based Consultant with Avison Young Consulting Services group. His expertise includes location strategy and economic development incentives analysis and negotiation. Using a data-driven approach, Alex navigates companies through site selection and helps them pursue state and local incentives. His industry experience includes technology, telecommunications, manufacturing, automotive, financial services, retail, and cold storage.

Prior to consulting, Alex supported global strategic business engagement at the U.S. Department of Commerce in Washington, DC.

Education/Designations

MBA, University of South Carolina

Bachelor of Arts, Political Science, University of Georgia
