

Hybrid Exhibit

Open call for art submissions

EXHIBIT ON DISPLAY: 11.01.22 - 04.30.23

Exhibition theme:

Greater Phoenix is Poppin'

Greater Phoenix is known for its colorful sunsets, bright cityscapes, diverse culture and eclectic cuisine. This exhibit will showcase the electricity of the region! Bonus points if your work is conveyed in a pop art style, although all mediums and styles will be considered.

This exhibit will show in a hybrid format with a limited number of the selected pieces on display at GPEC's downtown Phoenix office and the remainder shown in a virtual space. Although the office is not open to the public, various private events bring viewers into the space. Artists will have the opportunity to indicate their preferred display environment when submitting work at gpec.org/artexhibit. Those showcased in the physical space are welcome to visit once the installation is complete.

About GPEC:

As Greater Phoenix's premier economic development organization, we not only aim to attract economically sustainable businesses but strive to highlight the beauty and diversity of our incredible region through the curation and display of locally sourced art.

Submission deadline:

Friday, September 30th, 2022

Visit gpec.org/artexhibit to submit artwork

Requirements:

- Must be an Arizona resident to enter
- Must indicate if the piece is available for in-person display
- Pieces must be submitted as a jpeg at 300dpi (limit 4 per artist)
- Each submission must include a description of the piece (250 words or less)
- You have the option to make your piece available for purchase. All sales will be handled directly between the artist and buyer. No commission fee is taken
