SkySong, the ASU Scottsdale Innovation Center

Building 1 - Room 1951

1475 N. Scottsdale Rd.

Scottsdale, AZ 85257

Join us at the premiere Arizona AAM Summit, which will unite and inform business leaders, innovators, policymakers and city leaders about how this new technology will operate in Arizona.

This summit will feature dynamic panel discussions on key topics, including public involvement, defense, policy, real estate impact, and the current state of the industry. Attendees will engage with national experts, explore infrastructure needs, and network with key stakeholders who are driving the transformation of our skies. Don't miss this chance to be at the forefront of a new era in aviation, where the vision of seamless, sustainable, and safe air travel becomes a reality.
